Please tell us which languages you know, and at what level you can use them. You can add up to 5 languages. You can find more information about language levels at the Common European Framework for Reference for Languages.

#### Upload your CV

Tell organisations more about you by uploading your CV in Europass format. They will use this to help find the right candidates for their European Solidarity Corps opportunities. (Remember to choose PDF+XML format when you create your Europass CV.)

URES If you do not have a Europass CV yet you can create your job seeker profile on the EURES portal , which can be automatically converted into the Europass CV. Your profile will also therefore be visible to employers using the EURES platform to find workers.

#### Your availability

Please indicate when you will be available to take part in European Solidarity Corps projects, either by ticking the box to say that you are available at any time, or by specifying the periods that you will be available.

I am available at any time for European Solidarity Corps projects.

#### ቐ Or

Please indicate the periods when you will be available to take part in European Solidarity Corps projects, and the maximum length of project you can participate in during each period. For instance, in one year you could be available for a maximum of 4 months between June and December, but in the next year only for 3 months between April and September. You can add up to five periods of availability.
